PULL HANDLE-KNOBS & TOWEL BARS

The background of the entire page is a close-up, high-angle photograph of several white, extruded shower seals. The seals are arranged in parallel lines, creating a strong sense of depth and perspective. The lighting is soft and even, highlighting the smooth texture and the complex, multi-chambered profile of the seals. The overall aesthetic is clean, modern, and professional.

**PREMIUM  
SHOWER SEALS**
